

# TRAINEE PRESENTATIONS SPAN 2013

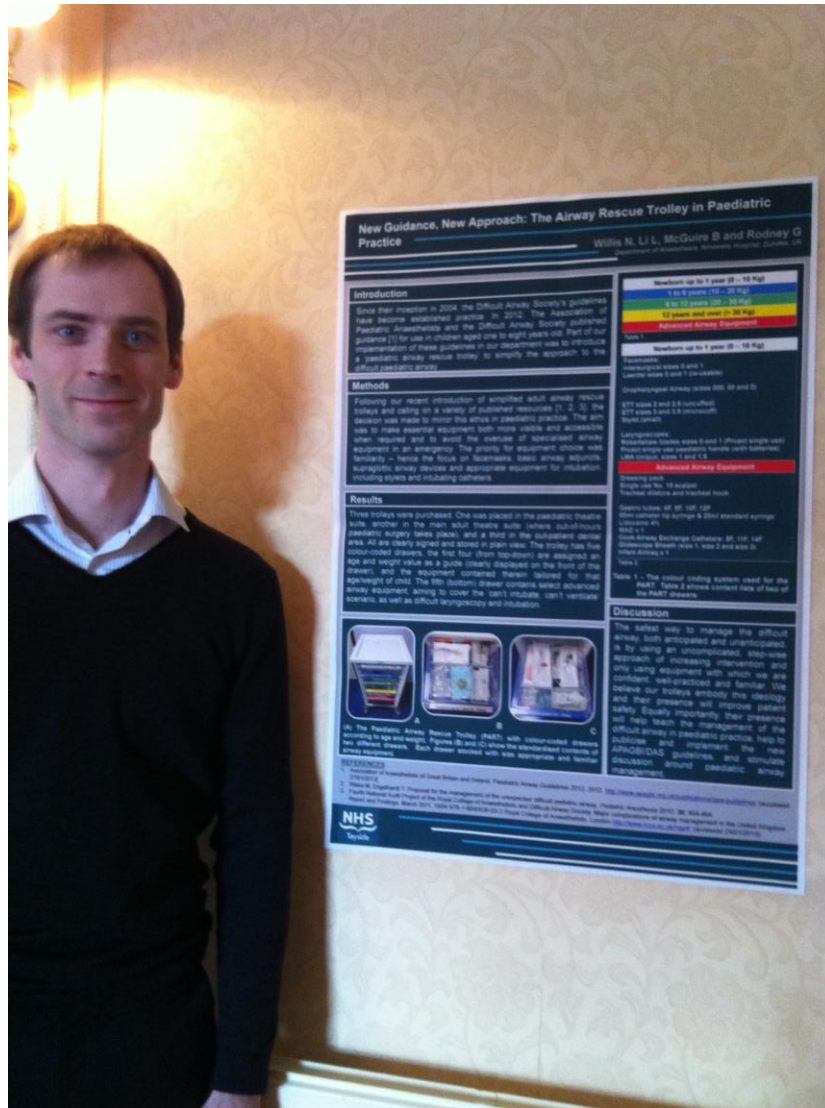

Dunkeld  
April 26<sup>th</sup> 2013

Emma Pascall, medical student from Bristol delivered a poster presentation "A Modern technique for anxiolysis in paediatric anaesthesia' on the use of the iPad as a distraction technique.

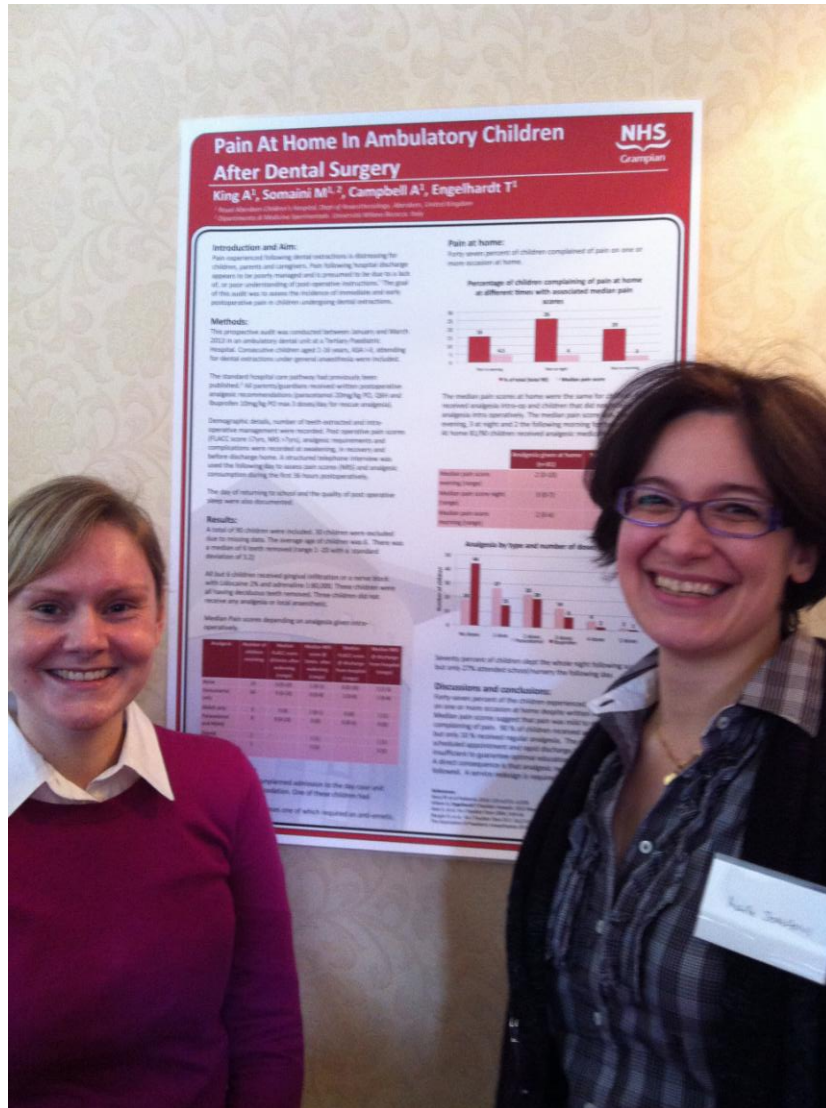

**Linda Dubiel from Ninewells Hospital in Dundee presented a poster on the impact introducing the RCOA/APAGBI information leaflet for young people undergoing anaesthesia.**

**Neal Willis presenting his poster on the re-organisation of the Airway Rescue Trolley following the publication of the new APAGBI/DAS on the difficult airway and can't intubate/can't ventilate guidelines.**

**Dr King from Aberdeen and Dr Somaini from Italy next to their poster which investigated Pain At Home after Dental Day Surgery. They found that a significant number of children experiences postoperative pain at home despite written instructions on analgesia.**

**The audience, deep in thought at SPAN 2013.**

**Dr Jocelyn Erskine from Glasgow collecting her prize for Best Oral Presentation from Kathy Wilkinson, President of the Association of Paediatric Anaesthetists of Great Britain and Ireland. Jocelyn carried out an equipment experiment on the pressure required to burst a reservoir bag.**

**Emma Pascall received a commendation from the judges for her poster on distraction techniques for surgery.**
